## Report

Despite the threat of rain race conditions were very pleasant, overcast with a slight headwind back to the finish.

- Moira Black was the 1st paddler home in her 1st Browns race. Along with her brother Kieran she can expect a little attention from the handicapper for the next race.
- Ruby Spinks paddled well in her 1st race for over a year.
- Elsa Gales looked fast, although at times a little unstable in her new K1 sprint boat.
- Rohan Borojevic and Oli Gales both showed the benefits of winter training with best times.
- Uncle John Borojevic finally succumbed to his not so little nephew.
- Thanks to Mathew Watton for placing the turning buoy and thanks (hopefully) to the person who retrieved it.

**NEXT RACE 23 OCTOBER RACE STARTS 6.15, ENTRIES FROM 5.30.....LONG HANDICAP.....FORECAST IS GOOD**
